

**Agreement of Cooperation
between
Northwest A&F University
And
Sultan Moulay Slimane University**

Northwest A&F University and Sultan Moulay Slimane University wish to develop, through this collaboration, their teaching and research resources. Both institutions have a genuine interest in the promotion of such international collaboration on the basis of mutual equality, respect, assistance and reciprocity.

Northwest A&F University and Sultan Moulay Slimane University agree to the following:

Article 1

FIELDS OF COOPERATION

Both institutions agree to cooperate in the fields of Life Sciences, Engineering, Information Technology, Economics and Management, etc, but not limited to those fields.

Article 2

CONTENTS OF COOPERATION

The following activities are considered:

2.1 Exchanges of staffs and students;

- Joint training of undergraduates and graduates;
- Practice working and summer school in the other institute for undergraduates;
- Exchanges of teachers, academic staffs and educational administrators.

2.2 Academic exchange

- Joint apply for programs both institutes are interested in;
- Joint operate academic research;
- Give lectures or hold/participate in seminars, symposiums regularly;
- Exchanges of academic information, pedagogical and scientific documents;
- Joint publications.

Article 3 COSTS

All scientist, lectures and students of both Universities can take part in the exchange on the basis of individual invitations, which Parties send to each other, and the relevant costs are as follows:

The University inviting or receiving researchers or students of other University bears the expenses of their stay at the receiving University as agreed upon by the Parties according to the conditions adopted in the receiving University.

The sending University pays transport expenses of participants of the exchange from the city of the university located to the city of the other.

Number of invitations and duration of visits will depend on each case on the financial resource available to each Party.

Medical services to participants of the exchange will be rendered on conditions accepted in the receiving University.

Article 4

IMPLEMENTATION PROGRAM

A separate agreement shall be required for each cooperative program.

Article 5

COOPERATION WITH NON-UNIVERSITY INSTITUTIONS

Where desired by the partner university, the host university will endeavor to establish contacts to local and national non-university research, teaching, business and industrial institutions in its own country.

Article 6

PROGRAM COORDINATOR

Each partner university will appoint a member of its faculty as a coordinator for the development of the cooperation program.

Article 7

DURATION OF THE MOU

The MOU will be valid for five years from the date of last signature. It may be revised, extended or terminated by mutual consent of the two parties. Each partner may terminate the MOU with six-month prior to notice.

Article 8

The MOU is written in Chinese and English. Both texts are equally binding.
